

## Incandescent PAR38 Heat Lamp, 175W Red

- *90% of energy is transmitted as infrared*
- *Lamp lifetime 5000 hours*
- *Instant, accurately controllable radiant heat*
- *Easy installation*
- *Simple, safe and clean heat source*
- *High efficiency, low energy costs*
- *Robust and sturdy for farm environments*

## Consistent heat source for farm environments

Maintaining a consistent body temperature in young animals is important for their health and wellbeing. Most animals are unable to regulate their body temperatures when they are born. Using a supplemental heat source like the ONCE Incandescent Heat Lamp helps keep them above ambient temperature and prevents them from getting sick, injured, or worse.

ONCE heat lamps feature a shatter-proof design, making them well-suited for heating in animal applications. They heat immediately, eliminating the costly warm-up time, and provide a built-in reflector for radiant energy control.

# Specifications and Ordering

## Heat Lamp 125W Specifications

Nominal power	175W
Input voltage	120V
Input frequency	60 Hz
Driver included	No
Surge protection	None
Power factor	0.98
Cap-Base	E26/50X39 [ Skirted Medium Screw (PAR Lamps)]
Operating position	UNIVERSAL [ Any or Universal (U)]
Main application	Infrared Agriculture
Nominal lifetime	5000 Hours
Rated lifetime	5000 hours
Warranty period	90 days
HS code	8539.52.0051
Country of origin	Peoples Republic of China

## Spectral Output and Dimming Specifications

Dimmable	Yes
----------	-----

## Operating and Mechanical Specifications

Bulb finish	Clear
Color Designation	Red
Lens material	Hard Glass
Mount / Adaptor	No
Product weight per piece	0.308 kg / 0.680 lbs

## Product Data

Order product name	175PAR38/HEAT/RED/AG 120V
EAN/UPC product	868947000473
Order code	1000000768
Numerator - quantity per pack	1
Numerator - Packs per outer box	12
Material Nr. (12NC)	929002100339

## Dimensions

D	C (max)
121 mm	135 mm
