by Signify

## Terms and Conditions

To the extent permitted by applicable laws, this Limited Warranty specifies the standard terms and conditions on warranty for the sale by Signify of the Aquaculture LED Products listed in the Table below (for the purpose of this Limited Warranty all referred to as "Products"). Only the purchaser that has purchased Products directly from Signify ("Customer") can derive any rights from this Limited Warranty. "Signify" means the legal entity selling the Products directly to Customer.

This Limited Warranty must be read together with Terms and Conditions for Sale of Products and Services of Signify currently in force, or such other terms as agreed to in a legally enforceable agreement executed between Signify and Customer, including separate supply, distribution or sales contracts ("Terms and Conditions"). Unless otherwise specified herein, any term or expression defined or used in Terms and Conditions and relating to this Limited Warranty shall have (in the interpretation of Terms and Conditions) the same meanings as used herein. In all other respects, Terms and Conditions remain unchanged and are in full force and effect. In the event of conflict between this Limited Warranty and Terms and Conditions in relation to the Products, this Limited Warranty will prevail.

1. Subject to the Terms and Conditions and this Limited Warranty (including exclusions, limitations and conditions stated therein and herein), unless a different period is stated by the applicable laws, Signify warrants to Customer that Products will be free from Defects for the limited warranty period(s) specified below in Table 1 ("Warranty Period"). For the purpose of this Limited Warranty, a "Defect" (or "Defective Product") means that a Product has a defect in material or workmanship which causes the Product to fail to operate in accordance with the specifications provided by Signify, with consideration given to the overall performance of the Product.
